Editor-in-Chief: Makoto MURATSUGU **Senior Editor:** Koichi HIRAOKA
Editors: Akira IWATA, Hisanori KOJIMA, Tohru SAKAI **Consulting Editor:** Shuchun INAGAKI, Joseph BRITTON

CONTENTS

Short Communications

- 1 **The Relationship between HbA1c in Borderline Diabetic Patients and Periodontal Diseases** *Yukiko OGAWA, Masahide IMAKI, Ayako SARUWATARI, Setsuko TAKAHASHI, Kanji WATANABE, Ayaka YAZAWA, Tatsushi KOMATSU and Yukie YOSHIDA*
- 3 **The Changes of Pushing Power and Index Finger Abduction Force in the Movement of Folding Paper** *Hisanori KOJIMA, Yasuo NAITO, Tadayoshi UEDA, and Shinichi TAKABATAKE*
- 7 **The Effects of Intervention on the Prevention Falls and Houseboundness among Community-Dwelling Elderly People: Dual Tasks as a Measure of Frailty** *Yumi HIGIGUCHI, Takemasa WATANABE, Misuzu WATANABE, Takamaro MATSUURA, and Koichi KONO*

Rapid Communications

- 13 **Applying Weak Polar Capillary Columns to Analyze Fatty Acid Methyl Esters with Gas Chromatography** *Kouhei YAMAMOTO, Akemi KINOSHITA, and Akira SHIBAHARA*
- 17 **Quick and Easy Quantification of Petroselinic Acid in Parsley Seed Lipids by Mass Chromatography Using Dimethyl Disulfide Adducts** *Akemi KINOSHITA, Kouhei YAMAMOTO, and Akira SHIBAHARA*
- 21 **Quick Separation of the Main Components of Fatty Acid Methyl Esters by Capillary Gas Chromatography: What Is the Shortest Time?** *Akira SHIBAHARA, Kouhei YAMAMOTO, and Akemi KINOSHITA*
- 25 **The Total Biotin Level in Dried Soybeans Treated with Hydrochloric Acid Quantified Using an Agar Plate Bioassay** *Ayaka YAZAWA and Makoto MURATSUGU*
- 27 **Characteristics of Locomotion and Muscle Tissue in the Rats' Regeneration of Skeletal Muscle** *Akira IWATA, Katsuya KAMI*

Report

- 31 **Modification of the Home Environment to Support the Functioning of Everyday Life** *Tadayoshi UEDA*

Educational Articles

- 35 **Preventing Diabetes in Cooperation with University, Municipality and Regional Clinics** *Tatsushi KOMATSU, Masahide IMAKI, Ayako SARUWATARI, Kanji WATANABE, Yukiko OGAWA, Setsuko TAKAHASHI, Ayaka YAZAWA, and Yukie YOSHIDA*
- 39 **Rehabilitation of Torn Muscle Patients** *Akira IWATA and Satoshi FUCHIOKA*
- 43 **Providing Student with Opportunities to Improve Their Sociability through Attending Public Lectures** *Yukie KISHI, Shinichi TAKABATAKE, Tadayoshi UEDA, Yasuo NAITO, Masako KATO, and Hiroaki TANAKA*
